

# REKINDLE YOUR INNER CHILD: MULTI-SENSORY MUSIC & MOVEMENT FOR CHILDREN AGES 0-5

PEDAGOGICAL FOCUS: BELONGING, EXPRESSION, WELL-BEING

**Facilitated By: Sarah Hall, StrawBubs**

Sarah from StrawBubs is set to lead an engaging session, offering each participant a dynamic 'musical toolkit' filled with creative ideas to infuse music, movement, and sensory experiences into their early learning environments. Utilizing props like egg shakers, sensory scarves, a parachute, and bubbles, Sarah will demonstrate the versatility of these items through various songs and imaginative applications. It's an excellent opportunity to personally experience the joy that music brings and rediscover your inner child. The session aims to empower participants to incorporate song, music, and sensory experiences into their programs. This session is designed for everyone, regardless of musical experience and expertise.
